PROJECTS

Major Production - Lost Circus
Mar. 2021 to Current

Worked as the Level Designer for our final project at AIE

- Designed main and tutorial levels
- Iterated on level concepts based on mechanical project restrictions and feedback
- Organized in-game "rooms" within object hierarchy
- Edited level geometry, and enemies based on player feedback
- Collaborated with mechanics designer and programmers to tweak game mechanics based on playtesting
- Collaborated with artists to integrate art assets into level
- Created minor functionality scripts
- Recorded minor sound effects

AIE Game Jam - Shifter
Apr. 2020 to June 2020

Worked as a Game Designer for Team Shifter for the Minor Production unit for AIE year 1. The project's development lasted eight weeks.

- Integrated assets into game engine
- Compiled prefab objects and materials
- Updated and compiled builds
- Compiled and edited design documents (such as GDD & QAD)
- Updated the game's itch.io page.

AIE Game Jam - Bone Zone
Spring 2020

Worked as a Game Designer/Programmer for Team Bone Zone during a two-week AIE game jam.

EDUCATION

Academy of Interactive Entertainment · Aug. 2019 to Current
Adv. Dip. Game Design and Production 2021

Chattahoochee Technical College · 2017 to May 2019
Majored in Graphic Design and Production

VOLUNTEERING

Forgotten Childrens' Fund · Christmas Gift Helper
Dec. 2019 · Washington

Helped deliver toys to children in need on Christmas Eve 2019. Assisted with navigation and brought gifts and foodstuffs into homes while Santa would entertain the children.
